**Item No. 9 – Other Events**

**Rizal Green Completes Grid Connection for  
40 MW<sub>DC</sub> Limbauan Solar Power Project**

Yuchengco-led Rizal Green Energy Corporation (RGEN) completed the grid connection for its 40 MW<sub>DC</sub> Limbauan Solar Power Project (LSPP) in Isabela last October 25, 2025. The facility, undertaken by RGEN operating unit BKS Green Energy Corp. (BKSGEN), consists of a 6 MW<sub>DC</sub> Phase 1 embedded in Isabela Electric Cooperative's (ISELCO) distribution system and a 34 MW<sub>DC</sub> Phase-2 directly connected to the National Grid

Corporation of the Philippines' (NGCP) 69-kv Tuguegarao-Cabangan transmission line (T/L).

BKSGEC substantially completed the construction of the LSPP and related connection facilities in early August 2025. Following receipt of NGCP's October 24, 2025 provisional approval to connect (PCATC), BKSGEC and contractor Harmonics System Inc. (HIS) successfully connected Phase-2 to NGCP's 69 kV T/L through the facility's switching station simultaneous with the tapping of Phase-1 to ISELCO's 13.8 kV line at its Cabangan substation

Actual testing and commissioning of the LSPP to add power to the Luzon grid now only awaits NGCP's approval of the Energization Request which BKSGEC filed on August 29, 2025.

The LSPP is among four utility-scale solar power projects with aggregate capacity of 112 MW<sub>DC</sub> under RGEC's current portfolio. RGEC is a joint venture between Japan's Taisei Corporation and Yuchengco affiliate PetroGreen Energy Corporation (PGEN). The other facilities include the **27 MW<sub>DC</sub> Dagohoy Solar Power Project** (DSPP) in Isabela, the **19.6 MW<sub>DC</sub> San Jose Solar Power Project** (SJSP) in Nueva Ecija, and the **25 MW<sub>DC</sub> Bugallon Solar Power Project** (BSPP) in Pangasinan. The DSPP and SJSP started commercial operations in July 2025 and August 2025, respectively while the BSPP, which had also been completed last August awaits approval of the energization request filed with NGCP on August 20, 2025.

## SIGNATURES

Pursuant to the requirements of the Securities Regulation Code, the issuer has duly caused this report to be signed on behalf by the undersigned hereunto duly authorized.
